IT TAKES 7 – A SKIN CANCER RESEARCH FUNDRAISING CAMPAIGN BY THE BRITISH SKIN FOUNDATION.

Prevalence rates of skin cancer are rising faster than any other type of common cancers and tragically skin cancer takes the lives of 7 people in the UK every day.

We need your help to raise as much money as possible to fund research into finding a cure. We promise that 100% of donations will go towards new research.

It Takes 7 celebrates the positive impact people can make when they pull together for a cause. So we're asking for your support for our fundraising event. You can create your own fundraising team by going to www.ittakesseven.org.uk
